To: Josephine Wentzel

Hello Josephine

I am writing in response to your phone call yesterday.

When The Columbian called the YWCA to inquire whether you were currently volunteering or had volunteered in the past for the Clark County CASA Program, we were searching our records under the name Josephine Wentzel. We have no records under that name.

Per your phone call, you indicated you had used another name at the time you volunteered with Clark County CASA.

Having searched our records under that name, I have confirmed that you took the training to be a CASA Volunteer in the fall of 1995, and were sworn in on October 31, 1995. You indicated you believed you volunteered with CASA for about 6 months. It was actually a little longer than that by our records.

Thank you for contacting me.

Jo Waddell, Program Director
Clark County CASA Program
